

# Lake Highlands Baptist Church

## Sunday Highlights June 25, 2017

### YOUTH CAMP MEETING...

All parents and teens attending Youth Camp – please plan to attend a brief meeting after church today. Snacks will be provided. Remember, registration forms and deposits are due today!

### CLAY STUDENT LEADERSHIP...

Hexter Elementary is needing some help. They need us to volunteer in training the next generation in leadership skills. This is a great chance to give back and make a difference. Contact Nik with questions or to sign up for the training on July 2.

### YOUTH INTERN...

We are privileged to have Michael Cortimilia serving as Youth Intern this summer. Michael is one of our own Cortimilia clan. He is currently a student at Southwestern Theological Seminary. Please make him welcome.

### CONNECT@HOME...

This is our fourth week of our summer Connect@Home program. If you have not yet joined in the fun, it is not too late to start! Copies of our Connect@Home Family Guides are available at lhbc.com and in our Faith@Home Center.

This week we will be focusing on ways that we can **SERVE** as a family. Don't forget to share your pictures and stories on our Facebook page or via Instagram (#connectathome). Every share enters you into our prize drawing at our **July 2<sup>nd</sup> Family Event: Water Wars!** The event starts at 5:30. We'll meet in the Family Life Center and then move to the field for the fun—come dressed to get wet!

### SUMMER SLUMP...

White Rock Center of Hope needs our help! Summer tends to be a slow time for donations to the food pantry. Unfortunately, it's also a time when demand for service is up as children who usually benefit from school lunch programs are home for the summer. Drop off any canned or boxed food donations at the Center at 10021 Garland Road (near Peavy).

### DEACON'S MEETING...

Tomorrow night at 6:30 in Room 116.

### FLAMING BURGER DAY...

If you eat at Flaming Burger this Tuesday, June 27 they will contribute a portion of their sales back to our Kid Connections program. Flaming Burger is located at 11255 Garland Rd. behind Comerica Bank in the Home Depot shopping center. Come have a great meal & support our kids!

### UPCOMING SCHEDULE CHANGE...

There will be NO Wednesday evening activities on July 5th.
